#### KEY FEATURES

- Compact & Space Saving Design**  
Fits perfectly into OPS slot of IFP
- Intel Core i5 12th Gen Processor**  
Reliable and efficient performance
- 16 GB DDR4 RAM (Expandable)**  
Smooth multitasking and higher productivity
- 512 GB NVMe SSD**  
Faster boot and data access
- 4K UHD Graphics**  
Crystal clear visuals and rich detail
- Gigabit LAN + Wi-Fi 6 + Bluetooth 5**  
Stable and high-speed connectivity
- Multiple I/O Ports**  
HDMI, USB, Type-C, LAN, Audio and more
- Windows 11 Pro**  
Pre-installed with genuine license
- TPM 2.0 & Secure Boot**  
Enhanced system security
- Plug & Play Installation**  
Easy integration with IFP

#### CERTIFICATIONS & WARRANTY

- BIS
  - CE
  - FCC
  - RoHS
  - ISO 9001
- 3 Years Comprehensive Onsite Warranty**  
For complete peace of mind
